

Making the PROMISE

Every parent makes an unspoken promise to their child. A promise to feed and clothe them, a promise to keep them safe and secure, a promise to love and care for them. It is a promise to meet each unique need within each precious child until they are able to care for themselves.

At Oasis Haven, we make the same promise to the children in our Family Homes. It is our commitment to every child that we will do our best to be "family" in every way.

But we cannot make that promise alone...

We at Oasis Haven are grateful for our Family Friends who help us keep this promise by committing to a simple and invaluable monthly gift of \$25 or more. These gifts help us keep our promise of kisses goodnight, celebrations over good report cards, tummies full of healthy food, tissues to wipe away tears and a home full of laughter and joy.

Help us make the promise by filling out the attached credit card form and pledging your commitment. A commitment made is a promise kept. You can find out about other ways to make the promise by visiting our website at:
